

On arrival

Familiarise yourself with the exits / escape routes / fire extinguishers.

Establish an escape procedure and rendezvous point.

Establish who has access to the kitchen.

Stress the importance of keeping the washroom/toilet areas clean and tidy.

Use only the cleaning products we provide (NO BLEACH).

Use back door access to the washrooms when coming from outside.

Define the site boundaries and explain the importance of staying within them.

Explain the risks of the pond area and establish access rules.

Establish access rules and supervision for the bouldering wall.

Encourage youngsters not to play in the unloading area and car park.

Do not use the unloading area as a parking space.

Keep all vehicles off the field.

Stress the importance of respecting the woodland & avoiding damaging any trees.

Collect only dead wood for burning.

Use the alter fireplaces or a properly constructed fire place in the woods (all traces of which should be removed afterwards).

Record any accidents/injuries in the accident book (kept in the committee room).

Respect our neighbours – drive very slowly past the cottage, farm and bungalow.

Let us know of any breakages, missing items or any repairs that are needed so that they can be remedied.

Before leaving please ensure the building is left clean and tidy (use the checklist as a guide).

Enjoy your stay with us
